Welcome to GBYO's 2017-18 Season!

Young people achieve amazing things at GBYO. They develop their talents beyond what they thought possible and feel pride and joy in their accomplishments. The study of great music in an ensemble setting can be a transformative experience for young musicians, and GBYO's mission is to provide that experience in a challenging, fun and nurturing environment.

Founded in 1961, Greater Bridgeport Youth Orchestras offers one of the finest opportunities for young musicians in Connecticut. GBYO provides a developmentally sequential program of five ensembles: Principal, Symphony, Concert, and String Orchestras, and Wind Ensemble. In addition, we now have two full Jazz Ensembles and a Percussion Ensemble. A full range of professional education, coaching and conducting by a staff of experienced conductors, all of whom are teachers, supports these ensembles. Through rehearsals and formal concert performances, GBYO's young musicians gain an appreciation for many types of music, valuable performing experience and an important sense of achievement.

GENERAL POLICIES AND PROCEDURES

GOOD STANDING

GBYO expects its members to remain in good standing as participants in their respective school instrumental music programs, where they exist. "Good standing" is determined by the school program. Conflicts between school music activities and those of GBYO should be brought to the conductors' attention as soon as possible.

ATTENDANCE

GBYO members are expected to attend all rehearsals and performances that are published in the GBYO calendar. If an orchestra member must miss a rehearsal, the ensemble conductor must be notified in advance if possible (not the executive director). Contact information is at the end of this handbook.

Excessive absences by a student will result in the player's exclusion from the concert performance. Attendance at dress rehearsals is mandatory. A student who is absent from the dress rehearsal may not be allowed to perform in the concert.

Each player in an orchestra is important. There are only a few acceptable reasons for missing a performance. A student who misses a concert may be dropped from the orchestra or may be moved back in the section. The consequences of excessive absences and/or missed dress rehearsals/concerts are at the discretion of the member's conductor in consultation with the Music Director.

GBYO makes every effort to avoid conflicts when the GBYO calendar is formulated. We plan around school vacations, religious holidays, CMEA auditions and festivals, and the Fairfield County String Festival. We ask our members to pay attention to our calendar and avoid conflicts on their end as much as possible.

TARDINESS

GBYO members are expected to be in their assigned seats with their instruments tuned and ready to play at the scheduled beginning of rehearsal. If the rehearsal begins at 9:00 am and the member arrives in the building at 9:00 am, the member is LATE! Three late arrivals constitute an absence. Conductors have the discretion to change seating or dismiss members who are perpetually late.

CELL PHONE USAGE

GBYO members are allowed to use cell phones only during rehearsal refreshment breaks or with the expressed permission of a GBYO staff member. Any member who abuses this privilege may expect to have the cell phone confiscated until the completion of the rehearsal or performance. Members who repeatedly violate the policy may be dismissed from GBYO.

Students may bring cell phones to rehearsals, but the phone must be left in the student's instrument case during rehearsals and sectionals. Students found to have cell phones on them during rehearsals will get one warning. They will be asked to put the phone in their case. If students are found to have their cell phone a second time, the phone will be confiscated and will not be returned directly to the student. Only a parent will be able to retrieve the phone.

Exceptions will be made for students who use their cell phone to monitor a medical condition. A signed note from a parent will be required.

Students will be allowed to check their phones during break, but we will encourage them to leave their phones in their case while in the snack area. We want our students to be social, not staring at their phones.

In the event of an emergency requiring you to get in touch with your child immediately, you may call or text Beth (203-209-4255), or your child's conductor, and we will relay your message and have your child contact you.

PERSONAL BEHAVIOR

GBYO members are expected to maintain a personal standard of character and conduct which will be a credit to themselves, their parents, schools, and communities. Students are expected to preserve and contribute to the wholesome atmosphere of devoted work and serious performance which distinguishes GBYO. GBYO members whose personal behavior at any level brings discredit to the organization may be subject to disciplinary action.

CONCERT ATTIRE

Gentlemen: White long-sleeved dress shirt, black trousers (no jeans), black bow tie, black shoes and socks.

Principal Orchestra only: Add black jacket.

Ladies: White long-sleeved blouse (tucked in or hip-length), long black skirt or black dress slacks (no jeans, leggings, etc.), dress black shoes. Principal Orchestra only: All black.

MUSIC POLICY

All music and folders are the property of GBYO and are maintained in a library for continuing use. At the first rehearsal, each orchestra member is issued a folder containing music. The number on each piece of music should match the folder number. GBYO music should remain in the GBYO folder at all times, and it should not be folded or wrinkled. Any marks on the music must be made in pencil. It is the orchestra member's responsibility to maintain the music in good condition. Students who do not return the folder or music at the end of the year will be charged up to \$50 for replacement.

PROPERTY

GBYO strives to operate in a safe and effective manner and to be a responsible tenant at rented facilities. All members, families, employees and volunteers are expected to observe safety rules and show respect for the building, its occupants, and its equipment.

REHEARSAL CHANGES/CANCELLATIONS

GBYO makes every effort to maintain the schedule and calendar distributed at the beginning of the season. However, unforeseen events can cause disruptions. In the event of weather complications, please know that we value members' safety above all else. If you think that rehearsal may be cancelled because of weather, check your email, the GBYO website (www.gbyo.org) and GBYO Facebook page after 7:00 am. Decisions regarding cancellations/delays are generally made by that hour. You will be emailed regarding any change, providing GBYO has your correct email address. Because GBYO draws from a wide geographic area, the weather may not be the same throughout. Should rehearsal be held and you think that the weather in your area compromises your safety, please let your conductor know that you are not coming.

Rehearsal changes that can be anticipated will be announced as early as possible. Changes will be posted on the website and members will be emailed.

RETREATS

GBYO provides each ensemble with an annual retreat or social activity early in the season. Just as with regular rehearsals, attendance is mandatory. The purpose of the retreats is two-fold: A period of intense rehearsals, coupled with recreational activities, immensely improves the quality of the musical performances during the season. The social activities and rest periods give students the opportunity to get to know each other and bond into a cohesive group with common interests and goals. Retreats are held off-site so that they feel special. Retreat Permission Slips and Waivers must be submitted in order for musicians to participate.

COMMUNICATION

Most communication from GBYO to families is by email. Be sure you provide up-to-date, accurate email addresses. If you are not receiving at least one email per week from GBYO, then you may not be on the list or there may be an error with your email address. If that's the case, contact Beth at gbyo@gbyo.org or call (203) 293-8447.

The website, www.gbyo.org, is the other most important form of communication. Before asking staff or conductors, please check the website. Your question may easily be answered from the extensive information available there. Information such as the calendar, concert schedule, important forms, policies, trips and more can be found on the website. Other communication is done at the three parent meetings per season or at concerts.

THE ENSEMBLES

PRINCIPAL ORCHESTRA

Principal Orchestra is one of the most acclaimed youth ensembles in the region. The caliber of its members is affirmed by the participation of many GBYO students in the All-State and All-New England Music Festivals. Some GBYO students also attend All-Nationals. Principal Orchestra plays the world's great symphonic literature at a professional level of performance and musicianship. Principal was invited to play at Carnegie Hall in December 2014 and also played at the Klein 75th Anniversary Concert in 2016.

SYMPHONY ORCHESTRA

Symphony Orchestra made its debut in the 1997-98 season. Due to the number of students who auditioned for GBYO and the high caliber of performance, Symphony Orchestra was created to provide an opportunity for advanced players to continue to develop musically prior to moving into Principal Orchestra. Symphony provided live music for the New England Ballet Company's performance of Peter and the Wolf in April 2017.

CONCERT ORCHESTRA

Concert Orchestra accommodates musicians who demonstrate strong interest in a youth symphony, but who may not have much ensemble experience. The Concert Orchestra provides its musicians with the opportunity to perform at a high level while gaining valuable full orchestra experience and training prior to entering Symphony Orchestra.

STRING ORCHESTRA

The String Orchestra serves the needs of young string players by providing fundamental ensemble experience and a more individual relationship with the conductor and coaches.

WIND ENSEMBLE

Wind Ensemble serves young wind, brass and percussion players by providing fundamental experience focused on acquiring the skills to participate in a full orchestra.

JAZZ ENSEMBLES

Jazz Ensemble provides a different learning experience for participating students. GBYO jazz musicians perform many pieces from the standard jazz repertoire, learn and practice the many facets of jazz improvisation, and perform at GBYO concerts and other venues. Jazz has been so popular that there are now two Jazz Ensembles!

PERCUSSION ENSEMBLE

The brand-new Percussion Ensemble will give percussionists a full range of skills for orchestral percussion as well as percussion performance within a dedicated ensemble. Percussionists will support all the orchestras at concerts plus perform their own music. The Ensemble will be managed by the staff of the acclaimed Jim Royle Drum Studio.

Mr. Lofaro currently freelances as a violinist in southwestern Connecticut and performs with the American Chamber Orchestra.

BRIAN MILLER—WIND ENSEMBLE CONDUCTOR

Brian Miller is the Wind Ensemble Conductor for the Greater Bridgeport Youth Orchestras and also teaches at King School in Stamford, Connecticut. After earning his Master's degree in Trumpet Performance from the University of Michigan, Mr. Miller spent 8 years teaching and performing in Atlanta, where he was one of the most sought after trumpet and brass instructors in the area. Outside of his duties at King, Mr. Miller is on the marching band staff at Arlington High School, and was the 2013 Honor Band of America Trumpet Judge and Band Manager. He has previously worked for: Kennesaw State University, Grand Valley State University, Goshen College, the Interlochen Arts Academy Michigan All State Program, the Debut Orchestra of Los Angeles Summer Program, the Royal Oman Symphony Orchestra, and the Metropolitan Youth Symphony Orchestra of Atlanta.

Locally, Mr. Miller has performed with the East Connecticut Symphony Orchestra, Ridgefield Symphony, and Waterbury Symphony.

DR. REX CADWALLADER - JAZZ ENSEMBLE 1 DIRECTOR

He appears as performer or composer on over twenty-five albums including his most recent cds, "Quicker Than The Eye," with bassist Mike Asetta and drummer Artie Dixon, "Broadway – West Side Story," with flutist Ali Ryerson, bassist Mike Asetta and drummer Artie Dixon, and "The Art Of Trio," with bassist David Chevan. The cd, "Repartee," also with David Chevan was released in January 2000. A cd of original contemporary jazz with drummer Rich MacDonald entitled "The Cadwallader/MacDonald Project – YOUR SMILE" was released in 1998 on Jaybird Records. Two other recordings, "Christmas In The Neighborhood" with bassist Mike Asetta, and "In A Mellow Tone," a tribute to the music of Duke Ellington with bassist David Chevan and drummer Jesse Hameen II, were released in 2002 and 2003 respectively.

GEOFFREY BROOKES - JAZZ ENSEMBLE 2 CONDUCTOR

Geoffrey Brookes is thrilled to be a part of the GBYO faculty as the new Jazz 2 Ensemble director. Mr. Brookes has been directing both middle school and high school level jazz ensembles since 2006. He is passionate about teaching young musicians to develop their creativity through the jazz idiom.

Mr. Brookes completed his undergraduate studies in music education at the University of Connecticut in 2006, receiving a BA in Music and a BS in Education. He earned an MA in conducting through the American Band College of Sam Houston State University in 2013. Mr. Brookes started his teaching career in the Litchfield Public Schools in 2006, and joined the Fairfield Woods Middle School faculty in 2010. Geoffrey teaches concert band and jazz ensemble at FWMS and has composed audition etudes for the Western Region Music Festival.

JIM ROYLE & BRIAN ENTE – PERCUSSION ENSEMBLE DIRECTORS

The Jim Royle Drum Studio Faculty is made up entirely of former students from the Drum Studio with college degrees in music performance or education. They all share the same philosophies and curriculum that have been passed down to them, continuing a 30-year tradition of excellence.

James L. Royle is a native of Connecticut and former president of the state chapter of the Percussive Arts Society's for sixteen years, and 2000 Chapter President of the Year. Jim attended the University of Bridgeport as a percussion and education major under the direction of Howard Zwickler, Arthur Lipner, and Bill Finegan. Jim has also studied various aspects of percussion with world recognized masters such as Max Roach, Alan Dawson, Keith Copeland, Akira Tana, Norbert Goldberg, Vernal Fournier and Pan Master Professor Philmore.

Although Jim enjoys his own performance career, his love of music and the pleasure of passing this love onto future musicians are equally important to him. His studio now in its 20th year, is well known for turning out remarkable performers and all of his students are exposed to many aspects of percussion.

Brian Ente, a GBYO alumnus, is a Musician and Composer who studied at Ithaca College with Gordon Stout and Conrad Alexander. A Connecticut native, he is a former vice president of the state's chapter of the Percussive Arts Society, and works to improve the performance standards and education of percussion both in his local area of Bridgeport/Fairfield, and across the state, taking part as a composer and judge for the Western Region Music Festival on both the middle school and high school levels.

HOW CAN I HELP GBYO?

GBYO has many volunteer opportunities for families of members, and in fact could not function without volunteers. Please consider getting involved! To volunteer, talk to any Board member or email Beth at gbyo@gbyo.org. A Volunteer Interest form is included in this packet. Please let us know how you can help.

CONCERTS

The Concert Committee organizes, sells and distributes concert tickets for all of the GBYO concerts, including managing the box office and Will Call on concert days. This committee also sells flowers and apparel at concerts.

CONTRIBUTIONS & ADVERTISING

Ads and “shout-outs” to musicians are sold and printed in all three concert program booklets. These ads provide another source of income for the organization. If you own your own business, consider advertising in the programs which reach over 1,400 people each concert. Or ask stores or businesses that you frequent to purchase an ad. You’d be surprised at how easy it is!

Personal donations are always welcome and also acknowledged in the program booklets. The Internal Revenue Service recognizes GBYO as a 501(c)(3) organization, and all donations are tax-deductible to the full extent of the law. Please check with your employer about matching contributions. GBYO also participates in the online Fairfield County Giving Day each year in March. Give by Sept. 30 to appear in the Fall Concert program book.

FUNDRAISING ACTIVITIES

GBYO generally undertakes one to two major fundraising activities each season. *A chairperson and numerous volunteers are need for each.* These organized fundraising activities provide additional program support funds. Planned fundraisers for the 2017-18 season include wrapping gifts and performing at Barnes & Noble and the Donnelly Dash Community Challenge. GBYO also sells apparel throughout the year and flowers at concerts. Other ideas are welcome.

GRANTS AND SPONSORSHIPS

GBYO actively pursues corporate grants and sponsorships. We are most grateful that the Stratford Masonic Fraternity has underwritten a large portion of our Winter Concert for many years. Concert sponsorship for the Fall and Spring concerts is needed. Other major contributors include Carstensen Foundation, Jones Foundation, County Assemblies, and the Connecticut Office of the Arts, Dept. of Economic and Community Development. If you are aware of other companies or foundations which might grant funds to GBYO, please email Beth at gbyo@gbyo.org, call our voicemail at 203-293-8447, or mention it to any Board member.

OPEN REHEARSAL

GBYO will hold two Open Rehearsals this year for interested students, parents and teachers, one in October and another in April. Attendees can observe all the ensembles in rehearsal, learn more about the organization and obtain audition information. Volunteers are always needed to give “tours” and answer questions. Refreshments are provided as well.

REHEARSAL REFRESHMENTS

Volunteers are needed each rehearsal week to serve snacks. It’s a great way to get to know GBYO and other families. Please remember to sign up at least once during the year!

STUDENT SOUNDING BOARD

The Student Sounding Board provides a forum for student members to contribute their voices to GBYO. The Sounding Board runs activities such as the Holiday Party and projects such as the Yearbook and provides valuable feedback to the Conductors, Executive Director, and Board of Directors. Students who are interested in participating in Sounding Board should email Sudha Veeraghav at director4@gbyo.org.

BOARD OF DIRECTORS

The Board of Directors, with the support of parent volunteers, manages the affairs of GBYO. The Board consists of officers and directors elected by GBYO parents. Fundraising, hospitality and community-building, and policy-setting are just a few of the many areas in which the Board provides valuable leadership. If you are interested in becoming a Board Member, contact Gretchen Patterson at president@gbyo.org or any other Board Member.
